### Skills

---

**Front-end** — HTML5, CSS3, Javascript, ReactJS, TailwindCSS, DaisyUI

**Back-end** — NodeJS, ExpressJS, Firebase, Rest API, Axios

**Database** — MongoDB

**Dev. Tools** — Git, Github, VS code, Figma, Vercel

### Projects

---

#### BOOK VIBE

*ReactJS, TailwindCSS, DaisyUI, React-router, Rest API*

- Developed a **book management platform** using **ReactJS**, with a responsive and clean UI designed with **TailwindCSS** and **DaisyUI**.
- Applied **REST API** to fetch and manage **JSON data** for book information.
- Used **React Router** for seamless navigation between components.
- Created and utilized JSON files for data storage and management.
- Integrated libraries for data visualization, including a shape bar chart, to display book statistics.

#### VISTARA

*ReactJS, Firebase, NodeJS, ExpressJS, MongoDB, CRUD, TailwindCSS, DaisyUI*

- Developed a **travel management platform** enabling users to discover the best travel deals.
- Built with **ReactJS**, **TailwindCSS**, and **DaisyUI** for a responsive, user-friendly interface.
- Enforced **Firebase** as **BaaS** for **authentication** (login and registration) and **MongoDB** for database management.
- Created a **RESTful API** using **Node.js** and **Express.js** to manage backend operations and handle **CRUD** functionality.
- Integrated libraries including AOS, Swiper Slider, React Router, React Icons, and React Tooltip to enhance user experience.

#### SAUDI CUISINE

*ReactJS, TailwindCSS, DaisyUI, HTML5, CSS3*

- Developed "Saudi Cuisine," a **mobile-responsive restaurant website** for table reservations (up to 5 people).
- Built with **ReactJS**, **TailwindCSS**, **JavaScript**, **HTML5**, and **CSS3**, utilizing **DaisyUI** for UI components.
- Integrated React libraries: react-icons, react-tabs, react-player, Toaster, Swiper slider, and AOS.
- Implemented a fully responsive design ensuring smooth user experience across all devices.
- Enabled interactive table booking and integrated video player for engaging content.

### Education

---

2019 – 2024

**Bachelor of Science, Physics**

Sylhet, bangladesh

*Shahjalal University of Science and Technology*

### Languages

---

**English** — Proficient

**Bengali** — Native/Bilingual
