Professional Summary

Junior Frontend Developer with 1+ years of professional experience building production web applications using React.js, Next.js, TypeScript, and Tailwind CSS. Experienced in developing enterprise ERP and Inventory Management Systems, integrating RESTful APIs, implementing JWT authentication, and managing application state with React Query and Zustand. Familiar with Node.js, MongoDB, and AI-assisted development using Claude.

Professional Experience

Junior Frontend Developer, World Tech Soft

July 2025 – Present | Mohammadpur, Dhaka

- Contributed to the development of an **enterprise Hospital ERP & Resource Management System** using **React.js, Tailwind CSS, React Query, Axios, REST APIs, and Lexical Editor**, building reusable UI components, integrating 50+ RESTful API endpoints, and resolving 100+ UI/UX issues to improve performance, usability, and cross-browser compatibility.
- **Led frontend development** of an **Inventory Management System**, architecting and implementing scalable features using **Next.js, TypeScript, Tailwind CSS, Zustand, React Query, Shadcn/UI, and Lexical Editor**.
- Implemented secure authentication and authorization using **JWT**, adopted a **Backend-for-Frontend (BFF)** architecture with proxy routes for secure API communication, and developed reusable API hooks and state management solutions to create maintainable and scalable frontend applications.
- Collaborated with backend developers and QA teams to deliver production-ready features while maintaining clean code, responsive user interfaces, and an optimized user experience.

Projects

RENTAL HOUSE, Next.js, TypeScript, Node.js, Express, MongoDB, Tailwind CSS, JWT, SslCommerz

- Developed a role-based rental platform with authenticated dashboards and responsive UI.
- Implemented filtering, pagination, and secure checkout flows.
- Focused on frontend architecture, state management, and performance.

Skills

Technical Skills

Frontend: TypeScript, JavaScript, React.js, Next.js, Tailwind CSS, Redux, Zustand

Backend: NodeJS, ExpressJS, JWT, REST API,

Database: MongoDB, SQL (Basic)

Dev. Tools: Git, GitHub, Postman, VS Code, Figma, Vercel, Antigravity, Jira

AI Tools: ChatGPT, Claude

Education

Bachelor of Science, Physics

2019 – 2024 | Sylhet, Bangladesh

Shahjalal University of Science and Technology

Awards

Bronze Medal, The 2020 University Physics Competition

2021

Languages

English — Proficient

Bengali — Native/Bilingual
